

SOME WORDS ABOUT PRAGMA MUSIC

	<p>Pragma Music is an independant label created in 2002 and gathering artists, authors, composers and performers.</p> <p>All of them have at least ten years musical backgrounds in Switzerland and Europe. Their multiple experiences (creations, festivals, live, radios, studios, albums, sound design...) enabled them to develop a musical maturity and an innovative electronic identity. These musicians give their energy through individual or collective compositions to be discovered !</p>	
<p>Pragma Music musicians invent new sound identities based on multiple influences.</p> <p>A natural association between music and technologies, multicultural backgrounds, between diversity and synergies of musical influences. This community of rates/rhythms and sounds develops activities around several projects : creation, musical production and sound design for films and events.</p>	<p>listen to the music www.pragmamusic.com electro, nu-jazz, lounge, downtempo, trip-hop, dub, rock, techno & more...</p>	<p>actaruss1 angelo bellocchi boodaman boxing club del vegas dust2dub hattuey merry lauwrens nsc oceanic spa zya</p>
