

actaruss 1

Electro, Nu-Jazz, Lounge

Musician, author, composer, Dj, illustrator and designer since the beginning of nineties:

actaruss 1 is a complete and versatile artist.

Its musical career begins really in Milan in the middle of the Eighties : he plays in many concerts with groups such as Overload (IT) and Joanies' Butterflies (IT), in quality from bass player. This is his time of progressive rock'n'roll tinted of Metal.

He comes to Geneva in the Nineties and takes part in several musical projects - blues, rock'n'roll, funk hip-hop (CH - Turtle walk). He creates the drum'n'bass band Freebase Corporation, where he plays his instrument of predilection: the bass. In parallel, he begins a DJ career and completely embraces the electronic musics and discovers new musical moves of labels such as Jazzanova Compost Records, Komfort Musik, Pschent or Talkin loud, while continuing his bass play with the group Zodiac Project (CH - electro body rock).

His solo project, called **actaruss1**, is created in 2003 and announces his artistic maturity,

where he invents original musics while associating with ingeniousness, voice, instruments and electro sounds. By combining his jazz, ethno and jazz influences with electronic sounds, **actaruss1** composes contemporary musical parts. The intervention of musicians brings another more instrumental and more human dimension, to the electronic regularity.

Since 2004, **actaruss1** also composes musics records for movies and sound design for TV programs or brands for internet.

actaruss1 wrote, played and arranged all the titles of his albums and tracks (creation, electric bass, guitar and voice).

Live, **actaruss1** proposes performances/Dj, lounge&nu-jazz set, with musicians (trumpet, sax, guitar...) as well as vocals, MC and singers.
